Product	Description	Features	Adhesive	Face	Finish	Roll size (in mtr./ 3" core)
<b>Films for Digital Printing</b>						
<b>Cast Films</b>						
<b>D 9110</b> White Gloss	Long life premium cast vinyl	Excellent conformability for deep corrugations, extra high opacity for overposting needs	Grey coating with permanent adhesive	50 µm White	Gloss	1.37 x 50
<b>Premium Calandered Films</b>						
<b>D 8100</b> Transparent Gloss	Medium life calendered vinyl	Enhanced conformability for flat and simple curved surfaces	Permanent	80 µm Transparent	Gloss	1.37 x 50 1.52 x 50
<b>D 8101</b> Transparent Gloss	Medium life calendered vinyl	Enhanced conformability for flat and simple curved surfaces	Removable	80 µm Transparent	Gloss	1.37 x 50 1.52 x 50
<b>D 8110</b> White Gloss	Medium life calendered vinyl	Enhanced conformability for flat and simple curved surfaces	Permanent	80 µm White	Gloss	1.37 x 50 1.52 x 50
<b>D 8111</b> White Gloss	Medium life calendered vinyl	Enhanced conformability for flat and simple curved surfaces	Removable	80 µm White	Gloss	1.37 x 50 1.52 x 50
<b>D 8113</b> White Gloss	Medium life calendered vinyl	Enhanced conformability for flat and simple curved surfaces; Air Egress offers faster application	Permanent	80 µm White	Gloss	1.37 x 50 1.52 x 50
<b>D 8120</b> White Gloss	Short to medium life calendered vinyl	Enhanced conformability for flat and simple curved surfaces, excellent price/quality ratio	Permanent	80 µm White	Gloss	1.37 x 50 1.52 x 50
<b>D 8121</b> White Gloss	Short to medium life calendered vinyl	Enhanced conformability for flat and simple curved surfaces, excellent price/quality ratio	Removable	80 µm White	Gloss	1.37 x 50 1.52 x 50
<b>D 8310</b> White Matt	Medium life calendered vinyl	Enhanced conformability for flat and simple curved surfaces	Permanent	80 µm Transparent	Matt	1.37 x 50 1.52 x 50
<b>D 8311</b> White Matt	Medium life calendered vinyl	Enhanced conformability for flat and simple curved surfaces	Removable	80 µm Transparent	Matt	1.37 x 50 1.52 x 50
<b>Promotional Calandered Films</b>						
<b>D 7101</b> Transparent Gloss	Short life calendered vinyl	Excellent clarity for window graphics and other transparent applications	Removable	100 µm Transparent	Gloss	1.067x 50 1.37 x 50 1.60 x 50
<b>D 7110</b> White Gloss	Short life calendered vinyl	Excellent price/performance ratio for promotional graphics, high opacity for overposting needs	Permanent	80 µm White	Gloss	1.067x 50 1.37 x 50 1.60 x 50
<b>D 7111</b> White Gloss	Short life calendered vinyl	Excellent price/performance ratio for promotional graphics, high opacity for overposting needs	Removable	80 µm White	Gloss	1.067x 50 1.37 x 50 1.60 x 50
<b>D 7310</b> White Matt	Short life calendered vinyl	Excellent price/performance ratio for promotional graphics, high opacity for overposting needs	Permanent	80 µm White	Matt	1.067x 50 1.37 x 50 1.60 x 50
<b>D 7311</b> White Matt	Short life calendered vinyl	Excellent price/performance ratio for promotional graphics, high opacity for overposting needs	Removable	80 µm White	Matt	1.067x 50 1.37 x 50 1.60 x 50
<b>D 7411</b> White Gloss	Short life calendered vinyl	Extra thick film for easy application, high opacity for overposting needs	Removable	150 µm White	Gloss	1.37 x 50 1.60 x 50
